

## From Business Intelligence to 'Business Excelligence': Belgium-based Aaxis Group Joins Global Software, Inc.'s Worldwide Certified Partner Channel

RALEIGH, NC (February 24, 2009) – Global Software, Inc., the number one provider of Microsoft® Excel based automation and analysis tools to the leading enterprise resource planning (ERP) platforms, announces the addition of Belgium-based Aaxis Group to their Worldwide Certified Partner Channel.

Aaxis will add Global's flagship Spreadsheet Server and Executive DASH™ products to their current offerings. The partnership will enable Aaxis to provide their clients with spreadsheet automation tools, leveraging the functionality of Microsoft Excel in a dynamic environment.

"Spreadsheet Server and Executive DASH will bring the very latest in spreadsheet automation technology to the desktops of Aaxis customers," noted Deana Mitchell-Tavolacci, Director, International Channel Alliances for Global Software, Inc. "There are many synergies that exist between Aaxis Group and Global Software, Inc., we are very proud to have formed this partnership."

"Global Software, Inc.'s Spreadsheet Server, an innovative spreadsheet automation tool, will enable our customers to access 'live' financial data within Excel," stated Frank Peeters, Managing Director of Aaxis. "It leverages the familiarity of Microsoft Excel, as a reporting and analysis tool, while providing best practice financial reports for virtually any ERP and financial business application."
